Address: 430 S. Montezuma (actually on S. Granite), Suite B, Prescott. There is a map on the website and maps will be available at the meeting. Call Steve Dudar 201-873-9645 OR Stevedudar@hotmail.com for more information.

Below is a map to help you find the workshop.

FIELD TRIP REPORT

Please note: You MUST be a paid member of Prescott Gem and Mineral Club to participate!!

1) The trip for purple sagenite near Sheep Bridge on the Verde river in February was a true washout. Rain (less than a 20% chance) turned into a real gully washer before dawn. The creek near the ranch a few miles in was really running hard. So, we decided to "turn around, don't drown". Six vehicles with multiple hardy souls tried to get there. Maybe later on a non-scheduled weekend? If we do try again, our intrepid newsletter person will send out an email- thank you, Maggi!!

2) Anderson Mine is the next field trip, <https://www.mindat.org/loc-8448.html>

It is about a 3-hour road trip from Prescott, down through Yarnell. This trip is 4X4 only, as we will be crossing a large sand wash, and some rough country. Bring plenty of water and your gathering tools and backpacks or buckets as usual. We will meet at the Waffles-n-More parking lot, 1365 Iron Springs Road at 7:30 AM, and a 7:45 sharp departure. There is a huge amount of agate float on the surface. Please park out by Iron Springs Road; That way, if we leave a few vehicles behind they will not interfere with the businesses. The trip is Saturday, March 15. No children or pets, as this is an old uranium mine.

Bring plenty of water and lunch.

3) Dobell Ranch near Holbrook for petrified wood - on April 19 we will meet in Holbrook, at Jim Gray's Petrified Wood Co.; about a 3-hour drive from Prescott. We will depart from the rock shop at 9:30 AM sharp! Speaking with Rhonda at Dobell's Curios, she informed me that if you want a huge yard piece or log, she has a backhoe to load it into your pickup truck! For the rest of us, she will do a \$40/bucket of "you pick it"; or if you spread it on the ground, she will give you an even better price. THERE IS A NEW DIG.

They will provide a lunch of hamburgers and hotdogs free of charge- *Tips are appreciated*. RSVP is a MUST for food!!!! WOW! Let's bring some salad stuff and potato salad and beans to share- I will ask for volunteers for that. Do not go into the petrified National Forest after purchasing petrified wood! You may have your collection confiscated, even with a receipt.

4) In May, we will go to Rodeo Flats. With all this recent weather, there will be a lot of new float on the surface for easy pickings.

Happy Hunting!
